LARQ, Getting Started!

Quick Start Guide

When you are using the product for the first time, please follow the instructions below.

Upon second use, repeat number ③-⑥.

①

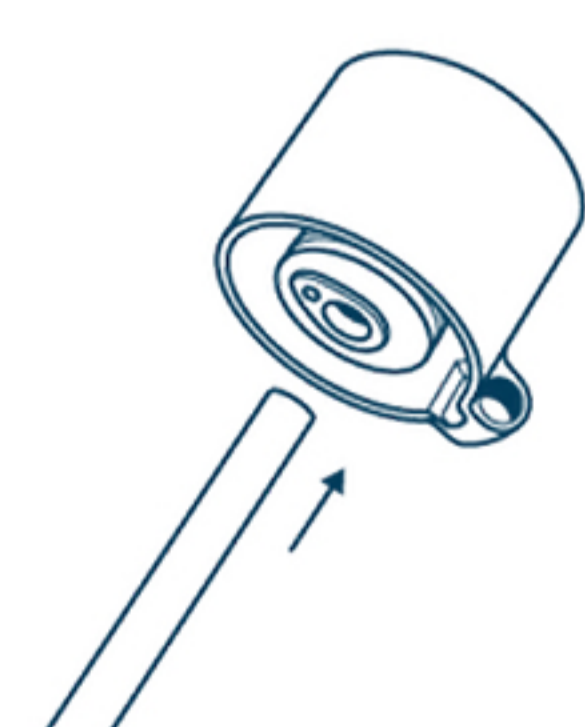

Remove filter from the filter pod and dispose of the outer packaging.

②

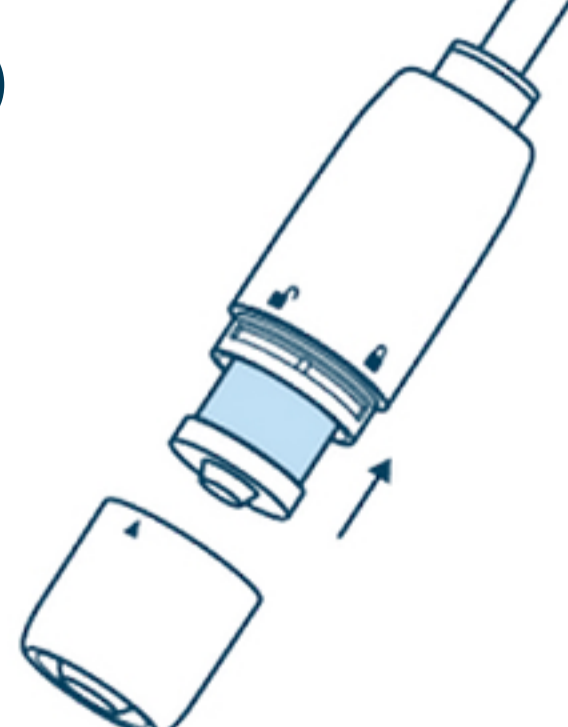

Rinse the filter under running water for 10 seconds (make sure it's soaked).

③

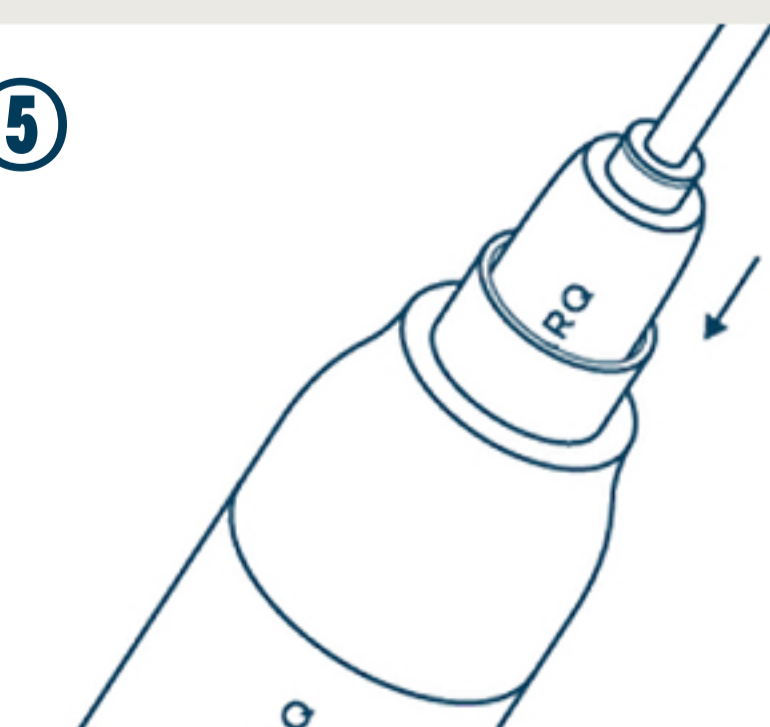

Push the straw into the cap base until it's secure.

④

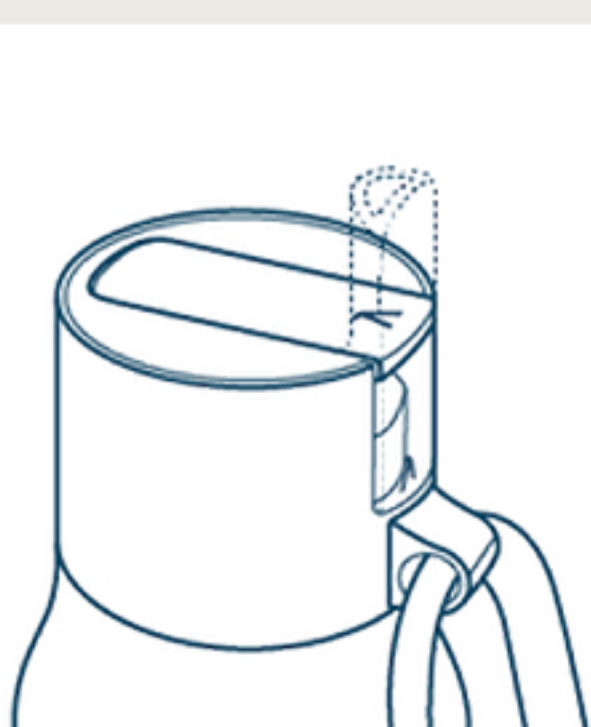

Install the filter (tip facing down), and screw the pod cap on securely.

⑤

Fill the bottle with cold or room temperature tap water and screw on the cap.

⑥

Push down on the cap straw to flip open and start sipping. Enjoy!
